

## Twilio Account Creation Steps:

Twilio account helps us in generating an international number for us using which we can communicate to our own mobiles

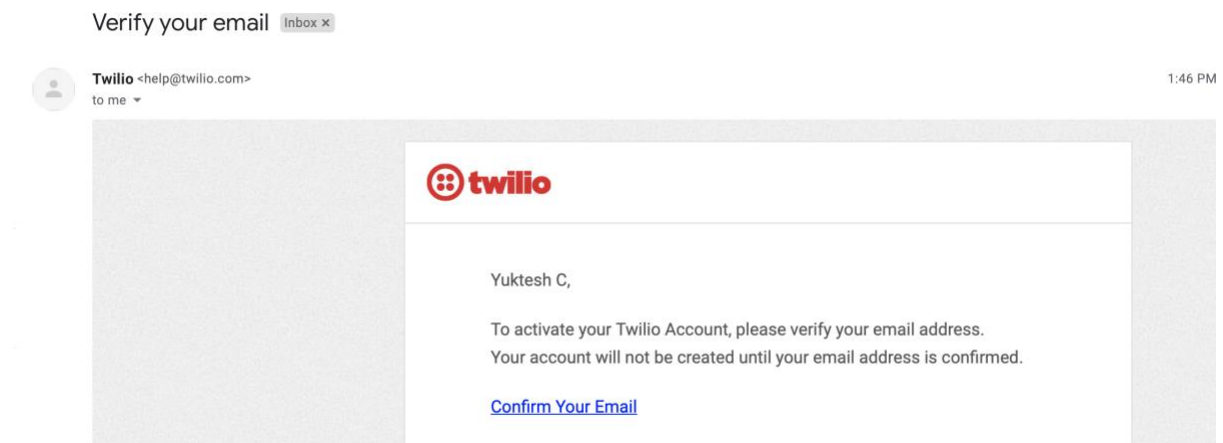

**Step 1:** Open the URL <https://www.twilio.com> and click on **Signup**

**Step 2:** Fill the below form and click on **Start free trial account**

A screenshot of the Twilio account creation form. The background is a purple gradient with the Twilio logo at the top. The main heading reads 'Get started with a free Twilio account. No credit card required.' The form is divided into two columns. The left column, titled 'WITH TWILIO YOU CAN BUILD:', lists features with green checkmarks: SMS marketing, Omnichannel contact center, Call tracking, Web chat, Push notifications, Alerts and notifications, and Phone verification. The right column contains input fields for 'First Name \*' (Yuktesh), 'Last Name \*' (Chintamadaka), 'Email \*' (cyuktesh87@gmail.com), and 'Password (14+ Characters) \*' (masked with dots). Below the password field is a checkbox labeled 'I accept the Twilio Terms of Service and have read the Twilio Privacy Statement', which is checked. A red button at the bottom right says 'Start your free trial'.

**Step 3:** Confirm the verification email which you got to your inbox

**Step 4:** Give your mobile number and then enter in below screen the verification code which comes to your mobile

A screenshot of the Twilio verification interface. At the top is the Twilio logo. Below it is the heading 'Verify you're a human to start your free trial'. There are two main sections: 'Verify Email' and 'Verify Phone Number'. The 'Verify Phone Number' section contains the text 'Please enter the verification code we sent to <+918919569559>'. Below this is a text input field containing '160921' and a red 'Submit' button. At the bottom, there are links for 'Want to verify with a Call instead of SMS?', 'Didn't receive a code?', and 'Resend Code (30)'.

**Step 5:** Click on **Yes**

A screenshot of a welcome message and a language selection screen. The message is '<Message>Welcome! Let's customize your experience!</Message>'. Below the message is a progress bar with three dots, the first of which is blue. The question 'Do you write code?' is followed by two buttons: 'Yes' and 'No'.

**Step 6:** Choose anyone one language an in next page click on ***Skip to dashboard***

<Message>Welcome! Let's customize your experience!</Message>

What is your preferred language?

RUBY

SWIFT

C#

PHP

NODE.JS

PYTHON

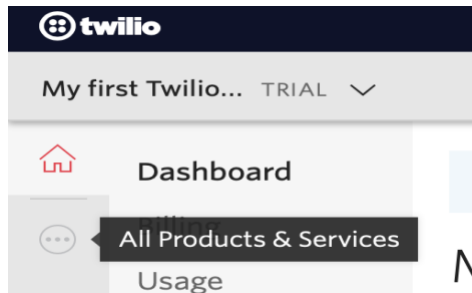

ANDROID

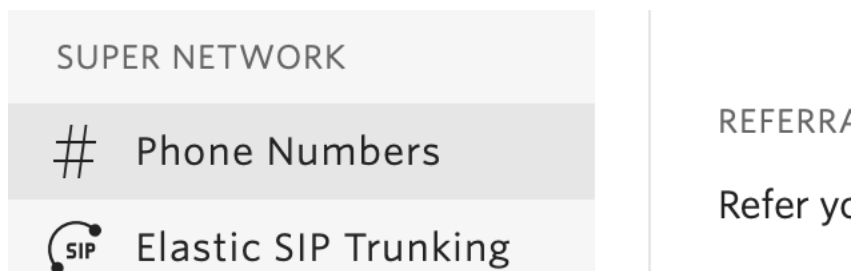

JAVA

Other
